## Spring –It's a MSRC Thing!

### President's Message

Welcome members, old and new, to another great season at the Manchester Swim & Racquet Club. We also want to welcome Ann and Mark Wright to the MSRC Board as co-chairs of the Swim Team Committee and thank them for their service. We are so happy to have Coach Marie Schoening back to lead our Manchester Marlins Swim Team again this year. It will be an exciting season. The pool opens for all members on May 22 with lots of activities planned for the season. Make sure you send in your swim waivers this year as explained in your renewal notice and check your emails, newsletters and website for events dates. The board would like to invite any member who might be interested to chair the Social and Fundraising committee. See you at the pool!
